thru  
Friday  
8 AM – 4:30 PM

**CIP SUBCOMMITTEE  
MINUTES  
AUGUST 30, 2005  
(Approved as written 11/7/08)**

**PRESENT:** Paul Morin, Chairman; Richard Butt; Heleen Kurk; Paul Marsh; Jonathan Dowst; Monte Brown

**GUESTS:** Greg Begin; Robert Richards; Carl Knapp

**I. DEPARTMENTAL REQUESTS:**

Police Chief: Chief Begin submitted the Police Department requests for a police vehicle rotation and an additional vehicle to be added to the fleet in 2008. There was some discussion of possibly decommissioning a vehicle while it still has value for use by another town department. There was also discussion of the safety complex and the future space needs of the Police Department. Chief Begin agreed to supply the subcommittee with information on other projects which may not need tax funding but are still considered CIP projects.

Fire Chief: Chief Richards presented his vehicle rotation and requests for thermal imaging cameras, defibrillators, air packs, jaws of life and communication equipment. The subcommittee discussed the possibility of a total communication solution for police and fire as well as the highway department. It was concluded that more research ought to be done and the chief agreed to look into it.

Road Agent: Carl Knapp presented his vehicle rotation and additional requests for a trash trailer, transfer station equipment and a fuel system replacement. The bridge improvement projects were discussed for their suitability as CIP projects with no conclusion.

Respectfully submitted,

Paul Morin, Chairman
